Dear James

**Scottish Ballet and Scottish Opera Initial Response to Consultation  
Letter from Christopher Barron dated 26 September 2004**

I refer to the above letter. I should like to clarify on behalf of both Boards that this letter has not been reviewed by either Board and therefore should not be taken as the formal view of either Board.

Both Boards are anxious to support the work of the commission in any way they can and therefore, if it would be helpful to the Commission to have a considered view from the Boards on any aspect of the ground being covered by the Commission, I am sure that the new Chairpersons will be only too pleased to assist in any way that they can.

Yours sincerely,

Duncan C McGhie  
Chairman, Scottish Ballet and Scottish Opera
